## TECHNOLOGY HELP?

Do you need help with using your smartphone, tablet or computer?

Do you need help with [online banking](#) or [video calls](#)? Maybe you'd like to do some [shopping online](#) and have it delivered to your door.

**Give the Computer Club a call on 8853 1810 and make a booking to work with one of our techmates or technicians.**

They will guide you through your learning—1/2/3 sessions, or however long it takes for you to feel confident.

You can arrange with the Computer Club to follow the [BeConnected Programs](#) which are especially developed for older Australians. You can work through the programs at your own pace and then attend a Techmate session to check on your progress. All it takes is a phone call to the Club and we'll help you on your way. **Using technology in your life will make your life easier.**

## Activity 8 of 15 Selfies

Open your smartphone or tablet's camera app. Press the button to flip the camera so you can see yourself on screen. Hold the camera so you can see your face and take a photo (a selfie!).

Use the self-timer on your phone or tablet's camera to take a selfie with a group of friends.
