

Saturday Technical Session ARV Computer Club

Session 1: Privacy & Security; The Issues

Presenter: Brian McLauchlan

What is the session about this week?

- Why be so concerned about privacy and security?
- What are the risks?
- How is privacy or security compromised?
- Which technologies or devices are at risk?

Novice to nerd; these sessions are plain speaking about technology so you get a good understanding.

Where: The Gatehouse

Time: 10am

Date: Saturday 7th February, 2026
