

Saturday Tech Tips BYOD ARV Computer Club

Session 3: Android or Apple App Store; manage apps Level: Basic or Refresher

Presenter: Brian McLauchlan

What tips will be shown this week:

- Use the App stores to find Apps
- Look at App reviews
- Install an App
- Remove an App
- What Apps cannot be removed from your phone

*Important! These sessions are hands-on so **bring your own device (BYOD)** if you want to practice the tips and get the most out of the session time.*

Where: The Gatehouse

Time: 10am

Date: Saturday 12th April 2025
